About Us

Cumlaude Institute is an accredited Skills and Development Training Provider that is 100% Black owned. We specialize in Quality Management System (QMS) Implementation and research; we are also a QCTO accredited Training Provider.

We offer Internship Programs to graduates and Learnership Programs to the youth of South Africa. Our Internship and Learnership Programs provide a professional learning experience, offering meaningful, practical work related to a student's field of study or career interest. These programs focus on career exploration and development, as well as skill acquisition. Our training programs are interactive and last up to 12-18 months, delivered by qualified and experienced facilitators.

We also offer continuous business monitoring, business development, and business advice to various business entities across different industries. Additionally, we manufacture and produce specialized foods, including canned and preserved foods, dried fruits, processed dried meats, and more.

Our goal is achieved through, among other initiatives, disability mainstreaming and inclusion, as well as advocacy for the recognition of people with disabilities. This ensures their inclusion in all spheres of empowerment and skills programs that aim to enhance the well-being of society as a whole.

We operate within the boundaries of the Republic of South Africa, primarily in three regions: Gauteng, Eastern Cape, and Free State. Clients and stakeholders can reach us at our Head Office, located in QwaQwa (Phuthaditjhaba).

VISION

Our cornerstone is market knowledge and a wide business network, upon which we build customized interactive platforms to provide high-quality services that cater to our broad customer base. Our business is distinguished by quality, customer service, and trusted values. We maintain our passion for the continuous improvement of processes, quality, and customer-related services.

MISSION

Our goal is to provide excellent customer service to our clients and partners by giving them a central role in the business, treating them with respect and integrity. We aim to deliver quality service on time and at the convenience of our clients. Additionally, we are committed to training young men, young women, and people living with disabilities who wish to operate in the same industry as us. Our vision is to become a significant service provider.

OUR VALUES

- People
- Accountability
- Quality
- Transparency
- Professionalism
- Ethics

OUR BLOOD STREAM

- To support Skills and Development initiatives that produce mid-level and high risk skills that transform different sectors.
- To support workplaces in the sectors to develop and grow the skills levels of the current workforce.
- To facilitate initiatives to grow finance and accounting skills enabling employability in the wider economy through partnerships with significant industry players.
- To serve the industry to promote national skills plan and NQF bases Unit Standard.

OVERALL INDUSTRY

We are in the skills and training development industry, where we provide Internship and Learnership Programs to our stakeholders, offering a professional learning experience that includes meaningful, practical work related to their field of study or career interest.

Our Services & Products

- Learnership: We offer accredited Learnership and accredited skills programs. Our Learnership programs run for a 12-month period, consisting of 70% practical work (workplace experience in the actual field of study) and 30% theory in the classroom. Our Learnership program includes a screening and selection process, which involves proven assessment test methods and interviews to ensure that participants are suited for the specific learning programs.

- Internships: We provide opportunities for graduates from universities, universities of technology, and TVET colleges to prepare for the professional world. Our structured learning experiences in a professional setting allow graduates to gain valuable work experience in their chosen field of study. Host Employment/Workplace Placement: We place our learners and candidates in established institutions and companies to ensure they receive sufficient exposure to their specific industry during their practical training. This helps build both practical and soft skills that employers value, while also helping participants gain a better understanding of a specific job or industry.

- Mentoring/Career Guidance: Mentoring of learners in a Learnership or Skills Program to ensure they have all information concerning their industry available to them and ensure they make sound decisions based on sound advice.

- Business Development: Company registrations, youth entrepreneurship development, BBBEE, SARS registrations, Central supplier database registration.

- Skills Development: As an accredited training Provider we implement the highest quality of accredited programs which are recognized by SAQA and Sector Seta.

- Skills Development facilitation and Governance.

- Quality management system (ISO 9001:2015)
